The MENPS Colour Run is a school fundraiser – a chance to raise vital funds for MENPS whilst our kids have heaps of fun!!

*It's quick and easy! Sign up for a fundraiser profile and ask for sponsorship from friends and family to support their participation in this fun run! All funds raised will go to the school. Set up your child's fundraising profile now by scanning the QR Code!*

**What and Why...** Donate to encourage kids' participation in colourful outdoor fun! The Colour Run is not a competition. Kids run / walk through obstacles while volunteers throw colour powders on them - all in a good cause to support our school's funding goals for new outdoor play equipment!

**Is it safe?** Colour powders are made of natural ingredients like maize starch and vegetable colours. It is non-toxic and specially formulated to be fire resistant. It is safe on human bodies; however we suggest people with allergies, asthma, or eczema etc. keep at the spectators' area to minimise risks; OR if you are super keen, wear a mask. Runners can wear sunglasses or goggles for extra safety.

**What about clothing?** Colours don't stain under normal circumstances although might leave a light coloured wash on the item of clothing. You can wear old or disposable clothing if you do NOT intend to save the colours in your clothing. If you want to save the coloured clothing, refer to below the 'More questions' link for step-by-step instructions.

**Can Whānau come?** The more the merrier! Parents / caregivers are most welcome to participate as spectators and cheer up the runners. We will need volunteers to set up courses, and throw powders at runners during the event. We will have 7 colour stations with red, yellow, green, pink, purple, orange.

**More questions?** For more information about the Colour Run and our fundraising efforts – see <https://www.menpspta.co.nz/colour-run>. Thank you for your support!!
